Subject: OIF liaison letter regarding Carrier WG Requirements Document

Dear Adrian, J.P. and Deborah,

The OIF Carrier WG is in the process of updating the carrier requirements document related to control plane for intelligent optical networks. The attached draft document represents an update to two previous requirements documents, focused on specific interfaces (i.e., UNI and E-NNI, respectively).

Sincerely yours,

A handwritten signature in cursive script that reads "James D. Jones".

Jim Jones
OIF, Technical Committee Chair
